Greetings to my visiting friends

On behalf of the people of San Pedro Town, I extend a warm welcome to all visitors arriving to our shores. I assure you that your trip to “La Isla Bonita” will be no ordinary vacation. Our island is famous for its rich cultural diversity, where Mestizos, Creole and Garinagu blend to form a unique encounter. While here, I encourage you to explore the Caribbean Sea and find Belize’s abundant treasures. Hol Chan Marine Reserve and Shark-Ray Alley are just two of the many spots where you can enjoy our coral reef for-

mation and abundant and breathtaking sea life. San Pedro is also home to world-class fishing and scuba diving.

For the more adventurous, “La Isla Bonita” offers a wide array of water sports and for those looking to get a glimpse of the mystical world of the Maya, these historical ruins are just a short expedition away. You will also be able to discover Belize’s vast cave systems and many natural sanctuaries that are home to our country’s unique flora and fauna.

Whether you are spending your honeymoon at an exclusive resort or looking for an adventurous, yet romantic escape, San Pedro is surely the place to be. I invite you to explore our home and see the many wonders it has to offer.

We welcome you with open arms. Bienvenidos a San Pedro!

Elsa Paz, Mayor,

When looking for escapades, think of our tiny jewel. Belize is among one of the few treasures that offers a smorgasbord of adventures for even the most discriminating traveler. Whether you choose to have a full blown Indiana Jones adventure or simply find the nearest hammock with a piña colada in one hand, Belize has it all. One of the many adventurous trips that Belize has to offer is the well known Aerial Trek and Cave Tubing tour at Jaguar Paw. Discovery Expeditions offers first time, Belize-savvy visitors or the local visiting his own backyard an opportunity to visit Jaguar Paw and have an un-

forgettable experience of flying high through the jungle canopy. Got your interest piqued already? Well, that is not all. Following the swoop through the rainforest is a smooth float through the Caves once used by the ancient Mayas.

The trip starts bright and early at 7:30 a.m. when you board *The Reef Rocket* which departs from the Fido's dock in beautiful San Pedro Town. Ride in comfort and luxury as you make your way to Belize City in one of the fastest boats in the country while you enjoy the cool morning sea breeze rushing through your hair.

1st annual Lobsterfest in San Pedro

Join San Pedro as it celebrates this native delicacy - the Caribbean Spiny Lobster - in all it's glory! The festival starts June 15th and runs through the 17th.

Causing quite a stir is the announcement of San Pedro's first annual LobsterFest. Scheduled to take place from June 15th - 22nd, the Lobsterfest is certainly one that will go down in history. Organizers invite you to "come join us in celebrating the first annual San Pedro Lobster Festival. Enjoy eight days of festivities, and all the delicious fresh lobster you can eat. Enjoy fun in the sun, sand under your toes, a Belikin beer in hand and a mouth-watering lob-

ster dinner in your belly-what could be better?"

For the eight days comprised in the party, many activities have been planned. On Thursday, June 14th, the kickoff will take place at The Banana Beach "Meat and Greet" which will feature a cocktail party and a live musical performance by the Fat Cats. But, most delicious of all is the Brazilian Rotisserie that Banana Beach's El Divino Restaurant is famously known for.

The first day that lobster season is officially opened, June 15th, organizers are planning a fun competition where local fishing boats take a part in. Prizes will abound and will be distributed for the fishing boat that catches the most lobsters and there will also be prizes for the guests that sponsor the winning boat.

The 16th will see the crowing of the Lobster King and Queen as well as a grand Lobsterfest block party which will take place on Barrier Reef Drive. Many activities and surprises are being planned for this night but for certain there will be a live musical performance by the Fat Cats.

Sunday will see the "Catch of the Day" themed golf cart parade and an All-you-can-eat Lobster Pizza Party.

Aerial Trek consists of two glides - the first being the shortest one which transports you from the first to the second station; getting ready to make that first leap fills you with anxiety, anticipation and the adrenaline rush

of your life. Leaping off of the second station is the one that gives you the view of the birds ... as they fly and flutter through their jungle home. Elegant crystalline formation, stalagmites and stalactites are some of the wonders you'll see in the caves.

used once inside the cave. Once everyone is safe inside their tubes the slow, gentle current of the river transports people to another era in time where you float in and out of caves. You can see ahead of you the darkness of the inner cave and if you turn and look at the back you see how the entrance of the cave gets smaller and smaller until the cave has completely enveloped you.

As you continue floating your way in the cave you can see the elegant crystalline formations, stalagmites and stalactites which are a beautiful view to all eyes. While in the cave you will end one and immediately enter another. Seeing branches of trees which over the years of floods have made their way into the caves have now become part of their family joining and becoming a part of them. A small waterfall captures your gaze as it trickles down thou-

sands of years of rock formations. The soothing sound of the water gliding down follows you as the view of the forest comes into sight, so picture perfect and grandiose.

Lunch follows at Jaguar Paw's restaurant and the traditional Belizean Rice and Beans with Coleslaw and stew chicken is served. After a relaxing and delicious lunch, if time permits, the guide will take you on a little tour around Jaguar Paw resort and even take you to the mini butterfly farm, where you can see the beautifully winged insects in various stages of growth.

The trip back home is relaxing as you reminisce on your day's adventures. It's a trip that you surely will not want to miss and it is all easily accessible through the helpful agents at Discovery Expeditions. For further information contact Discovery at 226-2882.

We are organizing a Cocktail contest where all the bars can take a part in, as well as a Lobster Recipe contest for the restaurants," commented Rebecca Arceo. When asked why hold a Lobsterfest in San Pedro, Rebecca stated, "It is a joint venture by many

businesses who got together and decided that we want to try to have an activity in San Pedro every month. I don't think we compete with Caye Caulker and their lobsterfest. Yes, the San Pedro Lobsterfest gets people in Belize. Once they are here they generally spread out. The point is getting tourists here, offering them activities that they can partake in every month. In the future we are considering hav-

ing an art festival but first we got to get the Lobsterfest off the ground."

Rebecca concluded by stating that all business can advertise on the San Pedro Lobsterfest website at a minimal fee of \$150. Wolfe's Woofers by Dennis Wolfe

Business Card

"Hi, Rev. How's the preaching business?"

"Oh, hello, Dennis," Reverend David Simpson said. "I'm sure the good Lord takes my work more seriously than you do. All is well, though. What are you doing here with the flowers?"

"I don't know. Dulce told me to bring these over to Xanadu Resort for a wedding that she is decorating. I'm just following orders."

As we sat there on the deck at Xanadu a lovely young lady came over to Reverend Dave and handed him a card, blushing a bright pink color the entire time.

She said, "Sorry I missed you earlier. I'll be back in a few minutes."

"Oh, that must be the bride," Reverend Dave said. "I was supposed to meet her at ten o'clock this morning but I came over and knocked on her hotel room door and no one answered. I left my business card stuck in the door."

On the business card the words, "Revelations 3:20" were written.

"See," he said. "I wrote Revelations 3:20 because that verse of the Bible says, 'Behold, I stand at the door and knock.'"

He turned the card over and in another hand was written, "Genesis 3:10."

"I wonder what that means," he said.

He thumbed through his Bible to Genesis 3:10 and started laughing.

"That young lady knows her Bible, well," he said. "Here."

He handed me the Bible and I read the verse.

"I heard your voice in the garden and I was afraid for I was naked."
